### INTERVIEW WITH PHILIP LIND, PROJECT MANAGER WUCTRI KALMAR 2018

I am a graduated student from the Linnaeus University, but also the president of the only sport student organization in sports; FIKS. I am also the project manager of the World University Championship of triathlon Kalmar 2018. A role I enjoy very much and I am very happy that FIKS is a part of the championship! During these days I hope for a great competition and that we are able to host Kalmar excellent! It's a pleasure welcoming delegations from all over the world! The preparations have been great! Busy, but we are ready to start the championship! Further on, to be able host a world championship is awesome, in my hometown and where I have been studying for 3 years! Let's get it started now! Enjoy Kalmar!
